## DECEMBER & JANUARY IN OUR CHURCHES

By the time you read this, the Holy Trinity Christmas Tree Festival will be very close at hand. We'd love to see you all there between Thursday evening and Sunday afternoon (Nov.30<sup>th</sup> to Dec. 3<sup>rd</sup>). It's only £2 for adults to get in to see this year's spectacular array of trees and refreshments are on sale throughout. If you'd like to attend the Grand Opening on the Thursday you **MUST** book your ticket in advance otherwise catering for the buffet supper becomes very difficult. However, tickets for the Caroline Sharpe Singers' concert on Friday will be available at the door. During Friday, Saturday and Sunday afternoon you can time your visit to match your desire for soup or cakes although both will be available at any time as long as we haven't sold out! The final Festival day coincides with the First Sunday of Advent and our Christingle Morning Praise service, much loved by both children and adults as they take their Christingles home with them, sometimes without their sweets and raisins which have a habit of disappearing soon after the service. You'll find details of all our Christmas and pre-Christmas events in this magazine but I would like to highlight our Festival of Lessons and Carols at 6pm on Sunday December 17<sup>th</sup> which will feature the choir of Leicester Cathedral who have been on tour to churches around the diocese during the time the Cathedral has been closed for its now almost-completed renovation. And do please make an effort to visit the church on Christmas Eve (Crib Service at 5.30 and Midnight Mass at 11.30) or Christmas Day (Holy Communion at 10.30am) to celebrate the birth of Jesus.

St. Mary's Walton have their Crib Service at 4pm on Christmas Eve but four days earlier in the church you can enjoy mince pies and mulled wine to musical accompaniment which all sounds very enticing (see Walton News for details).

After a very busy December with so many events to attend it seems that, apart from our regular pattern of services, January will be a much quieter month. *Richard Hudson*

**The Ministry Team and Churchwardens would like to wish you  
all a very Happy Christmas and a peaceful New Year**

## Pastoral Letter

Dear Friends,

*‘Look, the virgin shall conceive and bear a son, and they shall name him Emmanuel’, which means, ‘God is with us.’ (Matthew 1:23)*

As we approach this Christmas season, I am acutely aware of the distressing news of conflict coming from the Holy Land of Jesus’ birth. I recall my own experience of visiting Bethlehem a few years ago and crossing the borders between there and neighbouring Jerusalem, passing through the dividing wall between Palestine and Israel. These scenes of division, violence, and humanitarian crisis are distressing, and all the more so at this special time of year.

Yet, this is also the context into which Jesus was born. At that time Bethlehem was a city under Roman occupation, with soldiers on the streets and regular conflict between the differing factions. Within the first years of Jesus’ life, Herod, the puppet king appointed by the Romans, ordered the massacre of all baby boys. Mary and Joseph fled with the infant Jesus across the border to Egypt, desperate to save their child; they became refugees, seeking asylum, in a neighbouring land, a scene so familiar to us as we watch the news reports today.

But as the Bible, (both Old and New Testaments) remind us, Jesus was to be called “Emmanuel, which means, ‘God is with us.’” Our Christmas celebrations of the birth of Jesus Christ remind us that God came to our world as an infant in a stable to be “God with us”. God comes to be right here in the midst of all the complexity, horror and distress of the world. Jesus comes to share in our humanity and to experience our suffering.

Every year on Christmas day we read from the Gospel of St John; “In him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it.” Christmas time reminds us that not only did Jesus come to be “God with us”, but also to bring light and life to all people, a light that all the darkness of our broken world cannot overcome. We light the

candles of our Advent Wreath to remind us that Jesus is the “light of the world”. In the midst of darkness, the light of a single candle can be seen for miles around. So it is with Jesus; the light he comes to bring shines as a beacon of hope, the promise of a better world, a reminder of his unconditional love for all people.

So, this Christmas let us be reminded that no matter how much suffering, conflict, division, and sorrow our news reports may bring us, we are celebrating the birth of “God with us”; Jesus Christ the light of the world, a light shining in the midst of darkness, and a light which no amount of darkness can extinguish.

I wish you a peaceful and blessed Christmas, may the love of God and the light of Christ be with us all.

Every blessing, Rev’d Clive

**Online Advent Book Group** - Join our Curate, Rev Bob Edge, on Sunday afternoons in Advent at 2.15pm on Zoom. We will work our way through the Archbishop of York’s Advent Book, ‘Stick With Love’, by Bishop Arun Arora.

In a series of daily readings, Bishop Arun helps us consider the biblical picture of the Church as the people of God, drawn from every tribe, every tongue and every nation. Themes of racial justice, hospitality and welcome are explored alongside the stories of saints from across the globe. Beginning with reflections from Isaiah and Revelation, the meditations lead us on to consider the missionaries, martyrs and mystics who light our Advent way. There will be a series of videos to help you on your way, which you can find on the internet at

[thebigchurchread.co.uk](http://thebigchurchread.co.uk) The meetings will last about an hour.

Email Bob on [bob.bawg@gmail.com](mailto:bob.bawg@gmail.com) for the Zoom Meeting link. ***Stick with Love: Rejoicing in every tongue, every tribe, every nation (The Archbishop of York’s Advent Book 2023) Arun Arora, SPCK £10.99***

## **CHRISTMAS TREE FESTIVAL REMINDERS**

**Please tell your relatives, neighbours and friends about the Festival. Visitors can see the trees, win prizes and enjoy refreshments as well as buying raffle tickets up to Saturday evening. If you haven't yet bought yours yet (they were inside the November magazine) there's still time. You'll find the list of addresses where you can drop off the stubs and money in the November magazine, or, if that is difficult, contact me and I'll make sure I collect them from you. I could also bring you extra ones for you or your friends.**

**If you wish to attend the Thursday evening Festival Opening and buffet you MUST BOOK IN ADVANCE. You can buy tickets for the Caroline Sharpe Singers either in advance or at the door.**

**We would still welcome offers of help in the kitchen and on the door as well as contributions to our Tombola and Bottle stalls if you're going to be in church before the Festival begins.**

**We are again supporting FareShare Midlands, the charity which collects surplus food from supermarkets and distribute it to a wide range of charities who support people who are struggling to make ends meet. The demand for their help inevitably grows as Christmas approaches. Their website [www.faresharemidlands.org.uk](http://www.faresharemidlands.org.uk) informs us that 'in the Midlands more than a million people live in poverty and struggle to feed themselves and their families.' We are hoping that when you visit the Christmas Tree Festival you will bring something like tins of food, cereals, pasta, rice to deposit in the box by the FareShare tree. Having just looked at their website I've discovered that the Festival coincides with their 'Big Give Fundraising Campaign' which between November 28<sup>th</sup> and December 5<sup>th</sup> hopes to raise £50,000 in donations, enough to fund 200,000 meals this Christmas. If you'd like to contribute to this you can do it through their website.**

**The Festival's own website ([www.barrowchristmastreefestival.com](http://www.barrowchristmastreefestival.com)) will be active before and throughout the event. On it you will find up-to-date news including the list of organisations providing trees and raffle prizes.**

## St Mary's Walton News - December

Our annual 'Act of Remembrance' took place on Saturday 11th November and was led by Rev. Clive. The plate collection has been donated to the Royal British Legion.

An early evening social is planned for Saturday 2nd December - details to follow. Our next 'Open Church' is on 5th December during which we are planning to decorate the church for Christmas. This year, we will be joining Holy Trinity in Barrow for a Carol Service on 17th December. On 21st December St Mary's will host a special Christmas music evening with mulled wine and mince pies and on 24th December a family / all age Crib Service with carols will be held at 4pm.

The Walton Apple Juice project has been a tremendous success with over 300 bottles having now been sold.

**Dear Members**

**It was lovely hearing from Richard about Barrow during World War One and it was truly remarkable how people in the village rose to support soldiers serving their country.**

**At the meeting we raised £50 to go to the charity PACT which helps prisoners give a gift to their child on a rare Family Day.**

**Lorraine and Marion have taken the deposits for our Christmas meal to the Hunting Lodge. Please make sure you pass the balance to Lorraine as soon as possible. Lorraine has the list of meal choices. We understand you can order just one course if that is all you can manage for £22 but let Lorraine know as soon as possible.**

**We have been invited to the Carol service at Shepshed MU on Wednesday 13<sup>th</sup> December and numbers are to be in by December 5. Annette and Pam are going so you can still go if you want so please let Annette know.**

**There is concern regarding finances at MSH and they have upped the subscription by £2 next year. However, our Trustees have decided they will not raise it to local members but find a way to reduce costs. To do this the MUspaper will only be published twice per year instead of three and the Forum meetings will also be reduced to two as it is very difficult finding places with car parking for members.**

**The Diocesan Carol Service will be on Tuesday 5<sup>th</sup> December - 2pm at St Margaret's church in Leicester.**

**Branches have been asked if anyone is interested in volunteering with the AflA group either being on the committee or going with the families.**

**Please remember our members who are too frail to come to our meetings and all are very welcome to join us at our meetings.**

**Ben and Katy Ray are our Church Mission Society Link Missionaries in Tanzania. This is the final part of their Newsletter of which the opening was in your November magazine. They have recently left Iringa to move 500 miles north to Arusha, a city of 600,000 people.**

### **Katy's knee**

Katy ruptured her ACL playing sport back in February. After many weeks of discussion with the insurance company, Katy was able to get an operation in South Africa. It was quite a big thing for her to leave the family for three weeks and to go in and out of surgery alone. Praise God with us that she received first-class treatment in Cape Town and is making excellent progress – although she still has a few months of physio left before she can return to sport.

### **What lies ahead**

Yesterday, Zachary, Alessia and Julia all started their new school here in Usa River, Arusha. When we asked them how they felt about going, Alessia told us that she was both excited and nervous. This perfectly summed up our own feelings about our move away from our lovely Iringa community, work and home. We're attempting to use this rare occasion – of having all the children at school and fewer demands on our time – to reflect on our 12 years at Neema Crafts and what we've learned. We're also

*Photo – ready for school* seeking the Lord about what lies ahead with SAFi Tanzania – the new NGO through which we are working. At the end of September, we'll be consulting with the Lutheran-run Usa River Rehabilitation Centre, which gives vocational training to people with a range of disabilities. We aim to help advise them on their product range and the administration of their services. Alongside and beyond this, we anticipate rolling out our plans for a hub that will enable people with disabilities to receive training in crafts, design and starting their own businesses. We'd like to combine this with creating a space for the local community and overseas visitors to engage with God's work with people on the edges of society.

Please pray with us as we seek the Lord's guidance as to how best to step into the exciting new works that he has already planned for us here in Arusha and through SAFi Tanzania.

Love and blessings,

Ben and Katy X

### **Support for the Church Mission Society and Children's Society**

As I reported last month, the Coffee Morning on October 21<sup>st</sup> in aid of these two charities raised £230.

Since then I've spent time counting the contents of the boxes which a number of people from both Barrow and Walton keep at home and into which they drop loose change throughout the year – some of them were quite heavy! Many thanks to all those people who contribute to these charities year after year.

The Church Mission Society boxes contained £227.38 and those for the Children's Society, £585.98. Many thanks also to those who have helped the Children's Society by buying their Christmas cards. The current sales total is just over £950 and a further £54 was donated by people buying those cards.

**The New Vicar** – The living of Holy Trinity Church, Barrow upon Soar, has been offered by the Patronage Committee of St. John's College, Cambridge, to the Rev. J.D. Thomas, Vicar of Barlestone, Nuneaton, who has accepted it. The notice of the Bishop of Peterborough's intention to institute the Rev. Thomas to this Parish is now affixed to the Church door. The following Ecclesiastical Preferences have been held by the Rev. Thomas: Curate of Blaenavan with Chapel Newydd 1903-1906, Curate of St. Matthew, Kemp Town 1906-1909, Curate of St. John's, Upper Holloway 1906-1916, Vicar of Barlestone since 1916. We extend to Mr. and Mrs. Thomas a very hearty welcome and sincerely hope they will be happy in their new home.

Dear Captain Huston,

I should like to send a few lines to the Editor of the East Akeley Magazine, and I am doing so through you. I am looking forward very eagerly to my work in the parish of Barrow. I cannot tell at present when I shall be able to start. I hope to be instituted by our new Bishop as soon as he comes into residence at Peterborough. The Archdeacon of Loughborough has promised to induct me at Barrow.

Yours very sincerely,

J. D. Thomas

**Choir Outing** – On Thursday December 13<sup>th</sup> our Church Choir had a great treat. Our Organist and Churchwardens had made arrangements for us to go to Leicester to hear the performance of 'The Messiah' at De Montfort Hall, and as this would not be over until too late to catch the last train home, the service of Mr. J. Squires was secured, and thanks are due to him for taking us and bringing us home so comfortably. We reached the Oriental Café at 6.30, and after enjoying an excellent meat tea, walked up to De Montfort Hall, and were all well seated before 8 o'clock. The singing of the soloists and the rendering of the

choruses and the conducting of Sir Henry Wood were greatly appreciated by all, and will, no doubt be an experience of great value to all of us.

## **JANUARY 1924**

On Sunday January 13<sup>th</sup>, Mr. William Ladkin, aged 83, was laid to rest in the Churchyard. Mr. Ladkin was verger of Holy Trinity Church for 37 years. As a mark of appreciation of the services which he rendered in this office The Church was officially represented by the Churchwardens, the Choir also being in attendance. A great many of the members of the congregation remained for the service, which was conducted by the Rev. J. Ilsley. On behalf of the Church we wish to express our deepest sympathy with the family and relatives.

*Mr. Ladkin was the great-grandfather of the late Kevon Thompson.*

## Advent

At Holy Trinity's Christingle service everyone has the opportunity to make a Christingle and then we form an enormous circle and light the candles on the top of each. At that same service we will also be lighting the first of the candles of our Advent Wreath as December 3<sup>rd</sup> is the first Sunday of Advent.

Incidentally, Advent begins as late as possible this year as there are always four Sundays in Advent and in 2023 the last comes on Christmas Eve (you can't get nearer to Christmas than that!)

The word 'advent' comes from the Latin 'adventus' which means 'coming' or 'arrival'. Sadly, for many people in the 21<sup>st</sup> century it means little more than an excuse for children to eat a small chocolate each day, these being hidden behind doors in a picture of the Nativity. I hope that for us Advent means something more. It is certainly about the coming (adventus) of Jesus as a baby in Bethlehem but originally it had more to do with Christians looking forward to the time when Jesus will come again, an aspect that tends to be downplayed nowadays even in our churches despite 'Christ will come again' being said by the congregations at each Holy Communion service.

It is thought that the origin of the Advent wreath takes us back to 1839 when a German Lutheran pastor, Johann Hinrich Wichem, a pioneer of urban mission to the poor, built a large wooden ring, made from an old cartwheel and placed 24 small red and 4 white candles round the outside, this to answer questions from the children at his school in Hamburg about whether Christmas had arrived. A small candle was lit in weekdays and a white one on each Sunday. This gradually evolved into a smaller wreath with four or five candles.

Over the intervening years, besides four of the candles representing the weeks of Advent, various interpretations have been attached to the significance of each. In our churches we use them to show how the Bible shows God's love for the world and His preparation for sending his son Jesus to the earth in human form. The candles lit on the first two Sundays of Advent represent the Patriarchs (Abraham, Isaac and Jacob) and the prophets as they predict the coming of the Messiah, with the third representing John the Baptist who prepared the way for Jesus and the fourth for Mary, his mother. The central candle is, of course lit when Christmas arrives. Come and join us in our Advent and Christmas services

as we look forward to the coming of Jesus, not just as a baby but as the Saviour of the World. *Richard Hudson*
